## Monthly Updates

### Rainbow Room

Rainbow room have been exploring STEM (Science, Technology, Engineering, and Mathematics). We have been looking at different building's and talking about how they are made, we then had fun building our own bridges. In groups we went on some local walks to explore the different types of media in the area, whilst we did this we also practised our maths skills and phonics. We have also been looking into our hearing senses, talking about the different everyday sounds and to be aware of other people that cannot hear!

As some of us will be going to school in September we have been preparing for school by discussing routines, golden rules, and practising our literacy and numeracy skills.

Rainbow room have been having lots of fun in the Garden, playing in the sand pit, water play, and reading stories in the sun!

### Sunshine Room

Sunshine room have been enjoying lots of outdoor activities on the roof garden e.g. mud kitchen and practicing our gross motor skills, feeding the rabbits, walking the logs and riding the bikes.

We have been finding our inner artist's with lots of mark making, painting and sticking activities. Painting the canvas has been our favourite activity this term.

We are also looking forward to visiting our local fire station following the children's interest in playing with the small world fire, trucks and station as well as our favourite book, pepper pig visits the fire station! As part of our next steps we will be visiting the local Fire Station in July, if you wish to join please let the team know.
