Rainbow Room

Before you go...

This month the rainbow room have been very busy with getting things prepared for Christmas.

The children helped to decorate the lovely tree we had donated to us, we have been practising our songs for our concert and also doing lots of Christmas craft activities.

The children have been on trips to Hayes Galleria to see the big Christmas tree and also in the local area to do the Snowman trail. The children have been working with the staff on the 'Buddy system' to encourage peer socialisation and support.

Have you downloaded our app?

Download it from the apple app store or android store by searching for the '**Primary School App**'

- Please ensure you **close the gate** at the top of the stairs to the Sunshine room properly - shake it to check it has latched.
- Please remind children to use walking feet in the corridors this is due to safety reasons.
 - Please leave your own toys at home, to avoid them getting lost or broken.
- **We only have space to store umbrella folding buggies for children under 3 years old.**

Reminders:

Please remember to check facebook and the app for regular updates!

Please remember to remove shoes before entering the Sunshine room.

Please return any spare clothes that go home with you, and remember to fully stock your child's bags with spare clothes for the week.

We are proud to be able to have a book lending scheme— once you have read the book please do return, for the next family to read.

Thank you.

Parent Notices

We are gradually re-vamping Arc nursery and welcome any suggestions on any recommendations of any plasterers, painters/decorators.

We are still seeking a local handy-man to do the odd 'bits and bobs' around the building, and be available in the case of any maintenance emergencies.

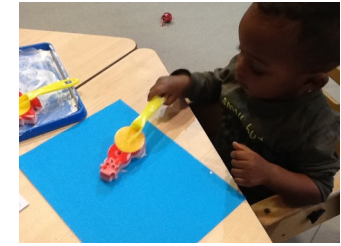

The board of trustees are interested in expanding their team and invite parents to get in contact with the office if interested.

Please remember

We only have space to store umbrella folding/ travel buggies for children under 3 years old. Please take into consideration the limited space we have and ensure you store from the back to the front also.

Running in corridors can cause serious accidents while other children and parents are coming in and out of the doors. Please encourage your children to use walking feet when under your supervision at drop off/pick up times.

Sunshine Room

This month in Sunshine room the children have been going on regular walks to Borough market, Hayes Galleria and doing the Snowman trail.

The children have been getting creative with Christmas crafts, making calendars, Christmas tree decorations and salt dough decorations.

We look forward to seeing you all in the new year and having a happy, healthy and fun 2020.
